

Racing Chain Lub

Ref. 2810

12x400ml

PROPERTIES

Bardahl Racing chain spray is a wet lubricant especially developed for motorcycles and race karts.

- Excellent lubrication for normal and O ring chains.
- Reduces wear on sprockets and chains.
- Reduces friction and temperatures.

INSTRUCTIONS FOR USE

Shake well the aerosol before use.

Spray on a dry and clean chain.

Spray the product on the inside of the chain.
