

# BRO Penetrating Oil

Powerful penetrating lubricant

## USE

BRO Penetrating Oil is a multifunctional cleaning product made from synthetic and paraffinic (silicone-free) oils and an organic inhibitor system which protects against rust and corrosion by driving out and isolating moisture.

## AVAILABILITY

Packaging	Ref.
12x500ml	1122
3x5L	1373
60L	1374
200L	1377

## PROPERTIES

Bardahl BRO Penetrating Oil has the following properties:

- Penetrates the heart of the most seized mechanisms, even in the finest porosities due to its high capillary action.
- Repels water and condensation thanks to its low superficial tension.
- Forms a lubricating film on metal surfaces, making it easier to disassembly.
- Preventively protects against oxidation and corrosion (the BRO is hydrophobic).
- Lubricates the mechanisms (bolts, screws, pins, hinges, slides, joints, etc.).
- Reduces wear and facilitates disassembly.

## TECHNICAL DATA

Characteristics	Values
Density at 20°C	0,865
Viscosity at 40°C	10,5 mm <sup>2</sup> /s
Flash point	70°C
Temperature range	-20 to +120°C
